CONTENT

| | |
|-------------------------------------------------------------------------------------|----|
| CHAPTER 1 – Glamour for one, please— a totally “normal” first day of work | 9 |
| Short superstars and mountains of meatballs..... | 13 |
| CHAPTER 2 – A roller-coaster designer and other magical career aspirations | 17 |
| A little crash-landing before takeoff: Finding a flight school | 21 |
| From ATC to WTF?!: Some initial theory and pilot jargon | 25 |
| Have fun . . . and “happy landings”: My first flight | 28 |
| The plane is refueled, but not the pilot: Flying lessons in Zadar | 38 |
| It’s always wise to study: The first exams..... | 40 |
| The first tragedy of my young flying career | 42 |
| A rocket launch in a pensioner paradise: My IFR flight training in Florida | 44 |
| Ten tips for aspiring pilots..... | 49 |
| Back to Zadar: The third and final practical phase | 53 |
| Trial session in the simulator | 55 |

| | |
|----------------------------------------------------------------------------------------------------|-----------|
| CHAPTER 3 – Minimum five years’ experience, new graduates welcome: The job search | 59 |
| Ten tips for your application..... | 64 |
| Wheels up for a new life | 67 |
| The no-hassle package: Let us take care of it..... | 70 |
| Europe’s finest airports | 74 |
| The second tragedy and the old chestnut of air safety | 76 |

| | |
|---------------------------------------------------------------------------------------------|-----------|
| CHAPTER 4 – We don’t expect any turbulence; please hold on to your wallets | 81 |
| Zero percent pleasure in the Blow Up Hall..... | 86 |
| Go right back, I forgot something..... | 88 |
| Olbia’s catering mafia | 91 |
| Healing water and ALDI yoghurt | 95 |
| Empty tank, full client..... | 98 |
| Please, wait!..... | 101 |
| Shady characters | 103 |
| Stewardesses and mistresses | 108 |
| We don’t need a cleaner; we’ve got a pilot | 127 |
| No dessert for me, thanks | 132 |
| Always working, but not always fit for it | 134 |
| What we expect from you: Look good..... | 138 |
| Cowboys above the clouds..... | 141 |
| Flying under the radar—but why? | 144 |
| Goodbye Berlin | 148 |

| | |
|-----------------------------------------------------------------------|------------|
| CHAPTER 5 – Hello Hamburg: New company, old problems | 155 |
| Female pilots and male flight attendants | 159 |
| FAQ: What do you pilots actually do? | 161 |

| | |
|---------------------------------------------------------------------------------------------------------|------------|
| ... if you would please excuse me, Mr. Gorbachev..... | 167 |
| Social media: | |
| Where reach isn't measured in tankfuls..... | 169 |
| There's work, there's pleasure— and there's Instagram | 177 |
| Spectacular aerobatics | 185 |
| No photos, please!..... | 190 |
| CHAPTER 6 – Going up a size | 193 |
| Private jets or commercial airliners? | |
| Both have their advantages..... | 196 |
| Switching to the left-hand seat, or: | |
| My rise to captain | 200 |
| Captain's training | 203 |
| Forever on solid ground? Coronavirus (COVID-19) and its consequences for the aviation industry | 209 |
| CHAPTER 7 – Listen, baby! | 217 |
| What to pack in your carry-on luggage | 219 |
| What to pack in your checked luggage..... | 219 |
| Additional packing tips..... | 220 |
| Ten tips to combat your fear of flying..... | 221 |
| About the author | 224 |
